ABOUT AUTHORS

Triandos Luke was born in 1981 and raised in Phenix City, Alabama. He is a former University of Alabama football standout and played professionally for the Denver Broncos and New York Giants. He graduated with a marketing degree at the University of Alabama and received his Master of Business Administration from West Chester University. Triandos lives with his wife and two children in the greater Philadelphia area. In his free time, Triandos loves to read, travel, and spend time with his family. Triandos is the Co-Author of "The Magical Christmas Reunion" co-written with his 10-year-old daughter Samaria.

Samaria Luke was born in 2012 and lives with her family in the greater Philadelphia area. Samaria is currently in the 5th grade and is exceling academically with an A average in all of her classes. She also plays the piano, dances ballet and tap, and is a member of her school's broadcast club. Samaria, naturally creative, loves to write, paint, and read in her free time. At such an early age, Samaria wants to be a positive role model and encourage today's youth to work hard at pursuing their dreams. She is the Co-Author of "The Magical Christmas Reunion" with her dad Triandos and she is looking forward to them working together to write the sequel.

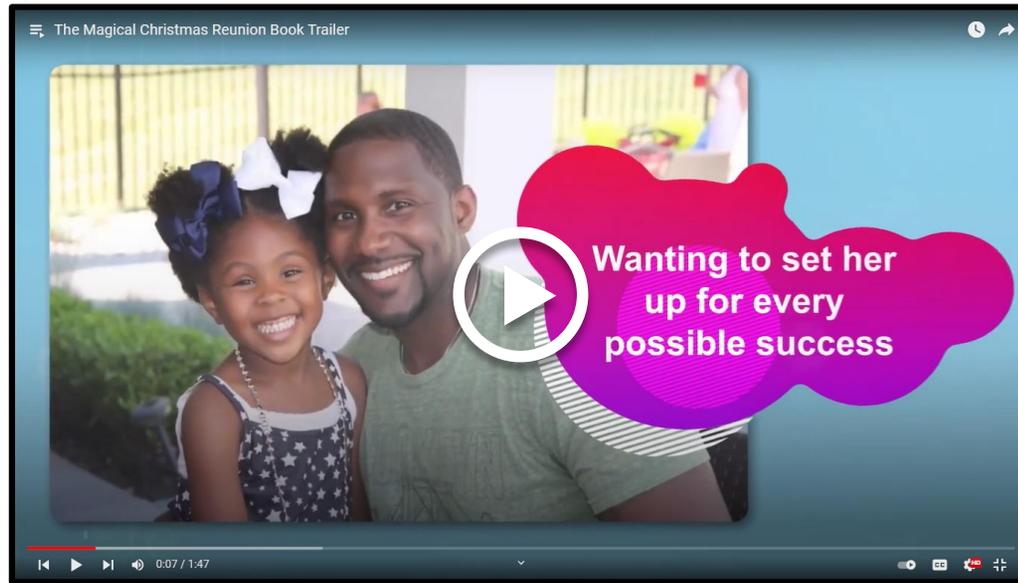

A WORD FROM THE AUTHORS

We want to thank you for visiting our website and supporting our first book “The Magical Christmas Reunion.” If you are like us, you also love the magic that comes along during the Holiday season and you delight in seeing a child’s face light up when they get the toy(s) they wished for the entire year. Santa Claus is near and dear in our hearts and we hope you will welcome his identical twin brother Elvel with open arms with hopes that he will also be a part of your Holiday traditions.

As we introduce Elvel to the world, we also want to encourage people to pursue their dreams and work to use their GOD given gifts for opportunities to serve others. We believe by living through purpose we will all have fulfilling and memorable lives.

GOD Bless

ABOUT THE BOOK

What if I told you Santa Claus has an identical twin brother; would you believe me?

Santa and his identical twin brother Elvel were born only a few minutes apart and sadly were separated a few months after their birth.

We all know Santa grew up in the North Pole, but his brother Elvel was raised unknowingly a half a world away in the South Pole.

Elvel was adopted and raised by one of the richest men in the world, Richard Thanu, yep you heard it right "Richer than You", a motto he lived by as he worked tirelessly building his top toy business to produce endless riches. Elvel developed a passion for toy making and eventually worked himself up and became the head of his father's business.

As time passed by, Elvel lost sight of the real reason he loved toy making and begin to see it only as a means to make himself even richer, he became mean and not fun to be around, and selfishly begin to look out only for himself.

What seemed like fate, a business trip led him to stumble on the surprise of his life that revealed his identical twin brother, the brother he never knew he had.

Through this surprise one-sided encounter, he learned his brother would receive magic that allowed him to travel the world and deliver free toys and gifts to every child all on Christmas Eve. Selfishly, he saw this act as competition to his already established toy business and would end up decreasing the amount of money from his toy sales.

Elvel has a big decision to make, should he embrace his unknown brother or should he destroy Christmas.

PRESS RELEASE

Former NFL Player and his 10-year-old daughter co-author whimsical Children's Book

Triandos Luke is demonstrating the power of a father-daughter relationship and the importance of early education in the African-American community with the launch of a new book co-written with his daughter.

CHESTER COUNTY, PA (April 4, 2022) – It's better to give than to receive. That's the underlying theme of the new book, *The Magical Christmas Reunion*, co-written by Former NFL football player and University of Alabama standout, Triandos Luke, and his 10-year-old daughter, Samaria Luke.

The *Magical Christmas Reunion* is a whimsical tale about Santa and his identical twin brother, Elvel. The twins were separated at birth and lived separate lives until a chance encounter revealed their identities.

Elvel was adopted by the owner of one of the top toy companies in the world, while Santa grew up among elves with a flair for toymaking. Elvel developed a love for toys and eventually took over his father's business; however, he becomes blinded by greed and selfishness. He eventually learns he has a twin (Santa) who gives away toys, which would put a dent in his potential product sales. Elvel is faced with a difficult decision - destroy Christmas or embrace his new found brother.

Triandos has always been passionate about equipping his daughter with some of the life skills he learned as a player including focus and dedication which led him to teach her how to read and write at age three. The *Magical Christmas Reunion* is their first book. The pair came up with the book's concept several years ago during a train ride. When asked about the motivation for writing the book, Luke explained: "It is really better to give than to receive. And we want to encourage readers to consciously make the choice to love and share their gifts through servant leadership."

Luke added: "I wanted to teach my daughter the importance of perseverance and finishing whatever she starts. I also wanted to demonstrate to her that she can accomplish anything she puts her mind to."

The *Magical Christmas Reunion* is a delightful book cleverly written with a captivating plot that keeps readers guessing. The seven-chapter book features 14 vivid illustrations that will pique the interest and imagination of children from start to finish.

In a pre-release of the book, one reader said: "This book is an awesome and fun read for anyone that loves the magic that comes with the holidays! It keeps you on your toes wanting more with each passing page."

The *Magical Christmas Reunion* is available on Amazon in Kindle, paperback and hardback formats. Learn more about the Triandos and Samaria at STHousePublishing.com.
